

CAN PEOPLE SEE JESUS IN US?

- Jesus is not in physical form today with us on the earth.
- If we are followers of Jesus, we must reflect Jesus to others.
- People that don't know Jesus don't read the Bible, they read Christians.
- What are they seeing in and on us? Is Jesus visible in our lives?
- What are we reflect in the offices, in the market place, in schools, universities, on the roads everywhere there is people that can irritate us?
- What are our body language, and the language that comes out of our mouths?
- What about the finger that so easily show – you are the number one in my life?
- What is inside a vessel comes out when you shake it.
- It is always thrilling to see the way in which God takes a single seed and multiplies it.
- God is not only filling us, but He is filling His house so the Glory of Christ that is in us can come out.
- We must reflect His love, His compassion and His Glory.
- Christ in us, the hope of glory, is just hoping we'd let the glory shine out.
- He is incredible and wants to be all He is, through us!
- Jesus is yearning to reach out to the lost and dying world.
- He wants to heal, restore, deliver and reconcile.
- He wants to go out and rescue those who are suicidal and touch HIV infected, those with the Aids virus and the terminally ill.
- He's reaching out to the backslider, the business person, the rich and the poor, all who would come to Him.
- He wants to use you and me!
- Jesus touched sinners, prostitutes and lepers right where they were.
- He is the same yesterday, today and forever.
- He desires for us to go after the hurting and the lost.
- When are we going to move? Get up from our blessed assurance?
- The problem is that so many of us hide behind masks.
- We are bound by the yokes of low self esteem, the gates of rejection, the yokes of the fear of man and the yokes of not being bold enough to step out of the boat and go against the grain.
- Everyone wants to follow, but few wants to lead.
- It is time to destroy these yokes off our lives!
- God is saying to us: "Come out from behind your masks".
- God is yearning for intimacy. That we will sit in His presence to get His heartbeat for others, His character.
- There are still so many people in the body of Christ who are locked up in spiritual prisons.
- They're saved and the look, smell, talk "Hallelujah" and shout seemingly well, but on the inside they are locked into prisons of low self esteem, rejection, bondage, habits and different things that have them bound and captive.
- God says come out of bondage, arise and shine, for thy light has come and the Glory of the Lord is here.

- People have been so busy caught up in their cliques and doing their own things, they couldn't even see their brother and sister beside them, bleeding to death.
- We go to church and rejoice and clap hands when we should be repenting, good show, God moved, and we go home the same, nothing change around us.
- It is time that we wake up. Stop playing church.
- Look around us. See the need of our brothers and sisters.
- Get into the harvest fields and get souls in for the Kingdom of God.
- We must get rid of all our funny games we are playing, our thinking that the gifts are there to make names for ourselves.
- We need to know that the gifts are there to build Gods Kingdom, not own kingdoms.
- It is about go and make disciples, healing the sick, setting the captives free.
- May God help us to be clean vessels of honour for His Kingdom. Reflectors of His Glory!
- "For the earnest expectation of the creation eagerly waits for the revealing of the sons of God" Romans 8:19.
