

PRINCIPLE OR FACT?

- Every end of the year people make New Year's resolutions for the next year.
- But most of the time it starts of good, but it disappears more and more as the year past.
- I took years back a scripture and made that my resolution.
- **GAL.2:20 “ I have been crucified with Christ; it is no longer I who live, but Christ lives in me; and the life which I now live in the flesh I live by faith in the Son of God, who loved me and gave Himself for me.”**
- I made a choice that I will not look at the circumstances around me, but put my eyes on Him.
- The world teaches us that a fact is a fact; you can do nothing about that.
- I saw in my walk with the Lord, and by traveling around, even among my Christian brothers and sisters, how they just except this facts, this circumstances and bow down under that.
- But I learn early in my life that my God is not working with facts, but with principles.
- He died for us, rose again, and He gave us a manual full of His principles.
- You see, a fact can chance, but not a principle.
- The principles of God stand forever and ever.
- Look at the facts of our own country.
- When we look at the crime and situations around us in this country everybody think it is the best to go away.
- But do you know that we are living in one of the best countries in the world today.
- S.A. plays a very big role in the end times.
- But that is not what I want to talk about.
